INTERNSHIPS

St Peters Medical College Hospital and Research Institute, September 2024 - December 2024

- 4 month's As a medical student, I had the opportunity to intern in the Intensive Care Unit (ICU) of a tertiary care hospital. The experience was both challenging and rewarding, providing me with a deeper understanding of critical care medicine and the skills necessary to manage critically ill patients.

ICU Environment

The ICU was a 20-bed unit, equipped with state-of-the-art monitoring and life-support equipment. The unit was staffed by a team of intensivists, residents, nurses, and other healthcare professionals. The atmosphere was fast-paced and dynamic, with a focus on providing high-quality, patient-centered care.
