Summary

Front-End Developer with solid experience in web development, specializing in HTML, CSS, JavaScript, and the MERN stack. Skilled in creating and optimizing responsive websites, enhancing user experience, and collaborating with cross-functional teams for successful project delivery.

Experience

Appac Mediatech Pvt

Coimbatore

Jr Front end developer

03/2024 - Present

- Developed and maintained 15+ websites using HTML, CSS, JavaScript, and jQuery.
- Played a major role in the development team, contributing to key projects and delivering high-quality code. Worked on website optimization, improving performance and user experience across multiple platforms.
- Responsible for the maintenance and upkeep of websites through annual maintenance contracts (AMC), ensuring consistent performance and implementing updates as needed.
- Collaborated with cross-functional teams to deliver projects on time and meet client requirements.

Education

Sri Ramakrishna college of arts and science

Coimbatore

B.Sc. Physics | CGPA: **8.0** / 10

08/2020 - 05/2023

Projects

Customer relationship management-CRM

<https://github.com/iamJayasurya/AppacCrm.git>

Currently Developing a clone of the Appac Mediatech's CRM

- Built a CRM system using MongoDB, Express.js, React, and Node.js, facilitating employee profile management and task reporting with secure authentication.
- Enabled CRUD operations for employee profiles and integrated real-time task assignment and tracking, using WebSockets for instant updates.
- Developed a RESTful API with Express.js and Node.js for data handling and business logic, and used MongoDB with Mongoose for efficient data storage and querying.

Task Master app

<https://reacttodoweb.netlify.app>

- Developed a task management React app utilizing React.js
- Demonstrated proficiency in front-end development, creating a user-friendly interface
- Implemented state management and responsive design to enhance the app's functionality

Professional Portfolio

- Developed a Personal Portfolio website using HTML, CSS, and Bootstrap, this digital showcase offers a comprehensive presentation of my expertise in a visually appealing and responsive format
