Objective

Seeking a challenging career with a progressive organization that provide an opportunity to capitalize my innovative skill and abilities in the field of Clinical laboratory.

Education

- Dr.N.G.P. Arts And Science College** 2025
B.sc Clinical laboratory technician
80%
- Dheva Matric higher secondary school** 2022
Higher secondary 90%
- Shri Valli Vidhyalayaa Matriculation School** 2020
Secondary school leaving certificate 89.4%

Skills

- Cytology
- Hematology
- Patience
- Postive attitude
- Biochemistry
- Clinical pathology

Projects

- FORMULATION AND EVALUATION OF LIQUID HANDWASH**
Formulation involves creating a liquid handwash with effective surfactants, moisturizers, and antimicrobial agents. Evaluation assesses the product's cleaning efficacy, foaming properties, skin compatibility, antimicrobial efficacy, and stability. The goal is to create a safe, effective, and gentle product that maintains hand hygiene and prevents the spread of infections.

Achievements & Awards

- Fundamental of Medical Summarization and underwriting
- Workshop on Instruments and Techniques in laboratory Medicine
- Interdisciplinary Approaches on Dynamics of Bioscience Research
- Participated in national seminar on " Novel Materials for Sustainable Energy Development and Radiation Measurements "
- Participated in National conference on Modern Research In Biological Horizons

Languages

- Tamil
- English

Intership

- Completed Internship Training at Apollo diagnostic Centre in the department of biochemistry, phlebotomy, hematology, serology, microbiology.
- Completed Internship Training at Kovai Medical center Hospital, Coimbatore.

Declaration

- I hereby declcre that all the above furnished information is correct and true up to my knowledge and belief
