PROFILE SUMMARY

I am an Occupational Therapy intern with hands-on experience in neuro,psychiatry and pediatric care. My primary interest lies in pediatric occupational therapy, where I am passionate about supporting children in overcoming developmental, emotional, and physical challenges. I am committed to providing compassionate, client-centered care with the goal of enhancing quality of life and promoting independence. My mission is to support children and families with care that is not only therapeutic, but truly life-changing. I'm excited to keep learning and eventually work in a setting where I can support people in living more independently lives.
